Set the pace in your race

We analyze your race.

We analyze your race and you get all datas in tabular form and graphics.

- Block time + time of immersion after start
- Time of surface after start/turn
- Frequency (rpm)
- Swim speed (m/s)
- Time of turns
- Split times
- Stroke lenght
- Swim times (netto)

When exist two analyses of different competition races we can compare the races. (e.g. heat/final).

From 9,95 €

Please download an example of analysis:
